Somewhere in a forbidden loft space ....

Her dream female sex mannequin comes alive as the stunning and intense LONDON there to

passionately serve breathtaking DYLAN in a variety of naughty queer femme kink.

PASSIONATE, TENDER AND ROUGH! Featuring high heels, good old fashion ass spanking, cropping, pussy punishment, bondage, oral, fingering, fisting, screaming, moaning and lots of dirty talk. In the grande finale watch one of the hottest most sensational female ejaculation ever seen.

Beautiful and elegantly shot with striking extreme close-ups caressing the skin giving the sense that one can touch, smell and taste the flesh. The chemistry is real and extreme and the performers are drop dead gorgeous!
